

We know projects can be stressful with deadlines, co-ordination, billing and chaotic workflows. At Daltco we understand your time is invaluable and our team of Project Management Specialists are here to help you through every step of the project process. From shopdrawings to final billing we will work with you to ensure your project is completed smoothly.

- At the start of your project we will assign you your own dedicated Project coordinator to act as your liaison throughout the process
- We will assist with timely completion of shopdrawings and approvals
- Provide clear, consistent communication at every step of the way to ensure timely flow of materials from supplier to job-site
- We work closely with our supplier's and provide you with **weekly** material ETA updates so you are kept up to date with the very latest information, updates and changes.
- We provide On-time and accurate progress invoicing
- Delivery scheduling and on site delivery co-ordination

Ask about our Project Management services and find out how they can you help you!
