

Rittal – The System.

Faster – better – everywhere.

► **Choose Better.**
Save up to 75% in energy costs this summer.

Best prices on industry-leading enclosure air conditioners

Our Blue e+ cooling units offer:

- Up to 75% energy savings with hybrid and heat pipe technology
- Multi-voltage capability
- Touch-screen interface
- NFC Control
- Component-friendly cooling for longer service life

Promo ends
August 31st

Accessories

► IoT Interface compatible

► Foam/Metal Filter Mat

► Plugs for Interior Air Outlet

► Door Switch

► Air Duct System

Air conditioners in stainless steel, NEMA 4X and with climate control doors are on the internet. Note: Additional system relay is available. For connection diagram, see latest assembly instructions under www.rittal.ca. Inch measurements are rounded. * Based on 5 days/week, 8 hours/day at 75% capacity vs Rittal non Blue e units.

Cooling units with TÜV Certified Performance

- Rittal is the only manufacturer with enclosure Air Conditioners fully tested, cooling performance certified.
- Rittal cooling units are guaranteed to provide the cooling output you paid for.
- Verified cooling outputs are up to 10% higher than previously claimed.
- Improved EER (Energy Efficiency Ratio = Watts of cooling capacity divided by watts of power consumption).
