Take a closer look to see all the features
your customers are sure to appreciate.

PRO-BLU™

The true-blue wire connector.

Marrette®

Comfort and ease of installation

- POSI-GRIP™ surface
- Finger-friendly plastic
- Ergonomic wings for superior twisting power
- Rounded, safe edge
- LIVE ACTION® variable volume spring
- Designed and manufactured in Canada
- CSA certified and UL listed

Even **more** for you!

A Canada-wide product launch campaign is underway to tell your customers all about the **PRO-BLU™** wire connector and its features and benefits.

As a special introductory offer, we are offering magnetic work lights **FREE INSIDE** specially-marked Marrette® **PRO-BLU™** containers (933-JAR1000, 933BK, 933BAR).

Be ready to respond to the demand and show off the new **PRO-BLU™** wire connector in your showroom. **For a limited time, all distributor branches that order 18 jars (933-JAR1000) will get a free product display and 24 sample packs. Use promo code QP933.**

Ask your sales representative for details and find out how you could qualify for bonus ballots in our Signature Service Branch Incentive Program.

PRO-BLU™

The true-blue Marrette®.
